author masterclasses and other activities over the next few weeks. All sections are detailed and explain what you need to include.

Complete myON Task 5: Writing Task: Twisted Fairy Tale Story Writing (Part 2)

This is the second part to your story, so you need to include a dilemma/problem, what will happen to the character/ characters in your story? What will the problem be? You then need to write a paragraph about how they solve the problem, this is the resolution. Then onto your last paragraph(s), the ending.

Challenge Alert!

Write a newspaper article about the main event/problem that happened in your story. E.g. a robbery, a missing person.

There is a writing template for a newspaper article attached on the class blog.

Practical Maths at Home Task

Count and multiply

Count each of the following in your house: chairs, doors, cupboards, windows, pillows, spoons, clocks and shoes. Now multiply the following pairs together. Before you begin counting - which calculation do you think will have the largest total?

- Chairs x Doors
- Cupboards x Windows
- Pillows x Spoons
- Clocks x Shoes

Learn techniques to develop singing with confidence.

Videos include:

- a video about melody and pitch
- a video to help you understand how to sing with expression
- three practise activities
